Things have gone from bad to worse for Selina in Villa Hermosa. Her new city has taken away what little she was able to carry with her from Gotham, and her rap sheet offers scant protection when local crooks frame her for murdering two police officers. The law has caught up with her and Catwoman is in the clink, giving her time to reflect on her life and all the things that led her to Vila Hermosa. Turns out she didn't choose the move randomly or just to get away from the Batman. This special interlude issue takes us back in time to explode some previously unknown truth bombs from Selina Kyle's past. BATWOMAN artist Fernando Blanco joins Joëlle Jones to explore a couple of the early versions of Catwoman's nine lives.

Sure, Merv Pumpkinhead doesn't exactly radiate happy at the best of times, but now? Right now a bunch of blank-faced strangers from between realities are taking local jobs; foreign criminals are profiteering at the realm's expense; and the VIPs seem more interested in themselves than getting back to the "good old days."

The Dreaming used to be somewhere a vegetable-headed guy could be proud to call home, y'know?

Fact is, Merv Pumpkinhead's been pushed too far. It's time for change. Right at the top.

Harley broke most of DCU continuity last issue, and in this ish, she's dealing with the fallout, namely the time-tossed hero of World War II called Captain Triumph! The golden boy of the Golden Age finds his black-and-white approach failing miserably in the gray areas of the modern world (although unfortunately, there are still plenty of fascists for him to punch). It's up to Harley to return Captain Triumph to his own time, but she'll have to put the kibosh on his do-gooding first–right after she figures out what "kibosh" means!

Trapped in a future he doesn't understand, Captain Triumph can't battle his way out of our modern world, as all his efforts lead to disaster. That causes him to butt heads and trade punches with his would-be protector, Harley Quinn. Can Harley talk her way out of this clash? And more importantly, where's she getting a time machine so she can send Captain Triumph home?

"KNIGHT TERRORS" begins here! The big issue #50 kicks off an epic four-part story that brings together critical moments of fear and doubt from the past and the present. A young Dick Grayson hopes to escape the shadow of the Bat and earn the title of Nightwing, while an older Dick Grayson must deal with a blow he did not see coming. A common enemy unites the timelines: the Scarecrow, as you've never seen him before! This story goes deep into the mythology and nightmarish development of Dr. Jonathan Crane.

And while Nightwing struggles to uncover the truth behind the "fear germ" that is killing people in their sleep, he must also try to overcome his own sudden struggles with heights and vertigo. He has lost his primary skill set as a hero and will have to focus on his brilliance as a detective instead. And a distracting love triangle certainly isn't helping him focus... This new storyline spins out of events in BATMAN #55. Don't miss the start of a new direction in Nightwing's crimefighting career!

As a member of the New Gods, she's nigh invulnerable and has been trained as a supreme combatant in both sword fighting and brawling. Featuring her trademark colors and an updated helmet design, she's ready to pummel her opponents on the track.

Walking on water has never seemed as graceful or glamorous as it does in Joëlle Jones' latest entry in the DC Cover Girls line! Mera is crafted in an elegant, commanding pose atop a flowing splash of water, which, even in the choppiest of seas, can't compete with the waves of her trademark red locks.

BATMAN BLACK AND WHITE: BATMAN BY KLAUS JANSON STATUE

based on art by
KLAUS JANSON
sculpted by
PAUL HARDING

Throughout his illustrious career, Klaus Janson has contributed inks, pencils and colors to some of comics' biggest heroes. He is perhaps best known for his work on the seminal Batman story THE DARK KNIGHT RETURNS with Frank Miller.

Janson's Caped Crusader is grizzled, menacing, and vigilant, and this Black & White statue presents a stripped-down, visceral rendering of Batman that will stand out in any collection.
